### **Discussion**

1. Budget/finances/tuition fee
  - Looked at the budget for the next five years and the financial situation of the school;
  - A letter will be circulated to parents asap;
  - Will increase the school fees by €500 per year, starting from September 2023.
2. Regulations regarding the PC is being translated from Dutch into English by Serena.
  - Includes information about which policies the PC has to give advice on, as well as which policies the PC has to give consent on. Also which policies are for the parent section to look at, and which for the employee section. Ideally, all policies should be sent to the PC to be looked at.
3. Communication flow for PC Agenda Items – to be communicated to parents in the next Newsletter. Concerns or questions about policy can be sent to the PC mailbox. Piece to be written about Ieva and Freddy in the next newsletter, so that parents can get to know them. Also good to clarify the roles of the Participation Council and the roles of the Parent Board.
